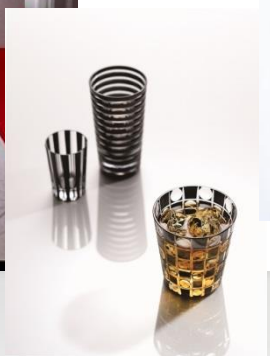
Contemporary Japanese Design

Open:8-15th April 2013
Location: Fuori Salone (Zona Tartina)
Via Voghera, 4, 20144 Milan

There are 11 exhibitors and over 40 designers/creators from all over Japan in this year.
The fusion of "Tradition" and "Modernity" is our main concept for creation.
You can see one of the best design furniture, table wares, hand craft product, gift items, art pieces….etc. from all over Japan.

In addition, we will serve some of the fusion food and drinks by Italian designer from NIME studio and Japanese exhibitors, too.
Wonderful performances and demonstration by Japanese craftsman and artists will be held every day.

The reception date is on 8th evening and wonderful party will be held on 12th night, too.
Please take a look at our "Contemporary Japanese Design + Asobi Japan creation 100" exhibition.
We hope you could feel & touch and taste our concept at the exhibition in this time in Milan!



We are looking forward to seeing you in Milan.
